

THE FUTURE OF CLEANING IS HERE!!

— LAUNDRY —

NO MORE HARSH CHEMICALS

NO CHEMICAL BUILD UP

O-Z Tech Water Oxygen Powered Solutions

When using **O-Z Tech Water** in your Laundry application
YOU WILL SEE GREAT COST SAVINGS
in not only chemicals but energy efficiency as well!

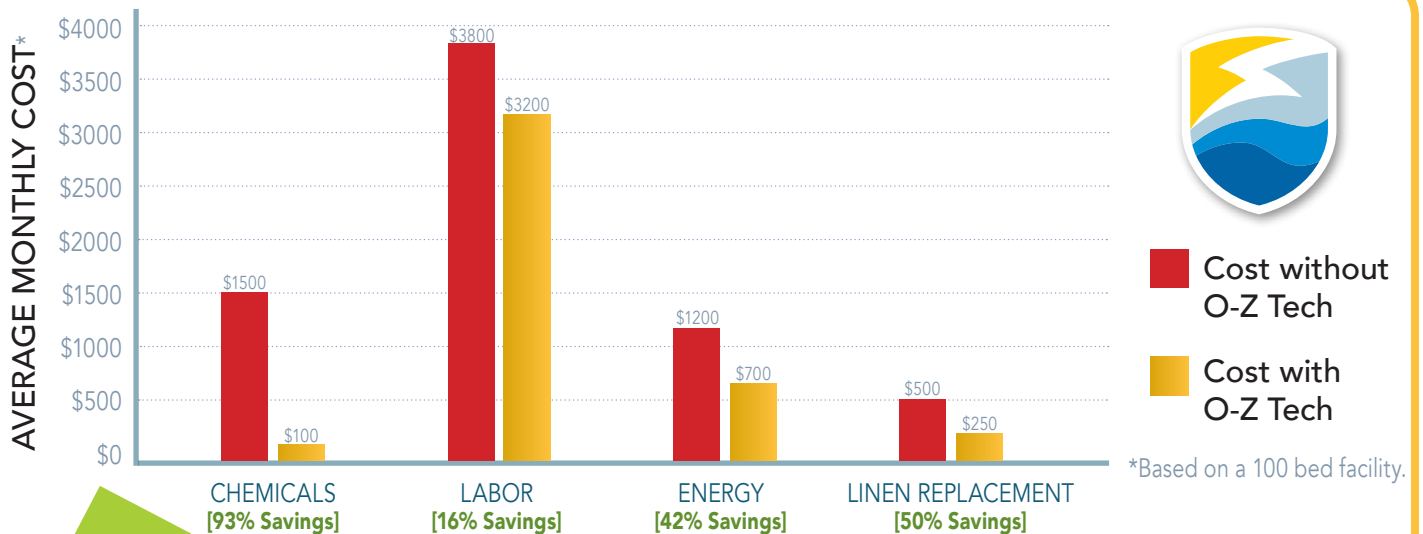

- Reduces up to 90% of current chemical usage
- Cuts drying time by up to 60%
- Increase linens & towels life up to 50%
- Safe for chemical sensitive people due to neutral pH
- No more chemicals residue causing stained linens
- Saves energy by using more cold water and less drying time
- Reduces overtime pay for laundry employees due to shortened wash/dry cycles.

SOFTER SHEETS & TOWELS!

**RESTAURANTS | SCHOOLS | UNIVERSITIES | HOTEL/MOTELS
LONG TERM & SHORT TERM CARE FACILITIES | HOSPITALS**

LAUNDRY COST SAVINGS

O-Z Tech Water
your *Green Solution*
to *Saving More Green!*

O-Z Tech Water not only saves you money in Chemicals, but also helps you save money on Labor, Energy and Linen Replacement.

The system is easily mounted close to your laundry room equipment. O-Z Tech Water delivers sanitized ozonized water that reduces the amount of chemicals necessary to clean your laundry, and extends the life of your linens.
